EXPERIENCE PROFILE

Project Highlight: DHA Facility Logistics Support Services (DMLSS)

The OutFit provides Defense Medical Logistics Standard Support (DMLSS) services to the Defense Health Agency (DHA) Networks and Facility Management activities by providing daily support in the technical areas of Program Management, Project Management, Program Data Analysis, Database Sustainment, and Training Support. This effort has become a historic task of consolidating the respective Army, Navy, and Air Force DMLSS business practices into one comprehensive and overarching standardized program. The DHA DMLSS contract leadership team is responsible for overseeing all aspects of the scope of work with personnel located across Europe, Asia, and over 38 states, including Alaska and Cuba.
